

# Thanksgiving Memory & Recall Activity Book

## Detailed Answer Guide

Challenge Edition

---

This guide goes with your printed book, activity by activity, in the same order. Find the page number in the footer of your activity, then look for it here. The picture and grid answers are shown larger than in the book, with extra help such as where each hidden word starts and what changed in each picture.

This guide is free for everyone to download, print and share. Open-ended pages (such as Memory Lane and Complete the Picture) have no wrong answers, so they are not listed.
